

## **RESEARCH COMMITTEE – POLICIES**

### Unpaid Research:

- Requests for research by members & non – members will be replied to with advisement of our resources, research fees & promotion of MGS membership to non – members.

### Paid Research:

- Paid research requests will be accepted & processed from both members & non – members for research.
- The fees charged will be recommended by the research committee & approved by the Council.
- Promotion of MGS membership will be included in the response to non – members.

### Private Researchers:

- A list of private researchers will be maintained with their annual fee structure to be determined by the Research committee with approval of Council.
- Private researchers must be members of MGS in good standing
- Private researchers contact information will be put on a mailing list and included on the society website
