

Tarbolton Cemetery was established in 1888 in the R/M of Daly.

It is situated N.W. 21-11-22

The cemetery is beautifully kept. It is situated on a hill, with a 3 rail white fence on the west, featuring an iron gate with arch.

Maples, elms and spruce are spaced around the edge. In the north-west corner is the Tarbolton United Church, still in use (Rev. W. T. Hidichuk).

Some of the stones are quite old & broken, but all well attended.
