Arrow River Cemetery is located on SE 36 - 13 - 26 W in the Rural Municipality of Miniota. It is located about a mile west of the Arrow River Road on Highway 24.

Two small children were buried there in 1882, but not until 1889 did the Municipality purchase the land. It has a hedge most of the way around it, with lots being 16 x 16 feet, generally.

This transcription follows the plot order with Plot 1 being six lots north of the gate.
