

Research Committee

April 20, 2013

As of the time of writing this, we have one paid research request in our file.

This has to be the first time in many years that we don't have a number of research requests awaiting our committee to get to work.

Needless to say, the research volunteers are basically here for that purpose so we look forward to the new system being established.

In the meantime, we will continue to run the library on Thursdays and do what we can to help clients and any duties required of us.
